Argus MagiCam

Smart HD Wireless Magnetic Battery Security Camera

Powered by
Qualcomm
Technologies

1080P HD

Experience true-to-life visuals with 2MP HD resolution. Never miss important details.

Long Life Battery Power

Provides up to 9 months of power*, thanks to energy-conserving Qualcomm chips.

Smart Detection

Accurately picks out human movement, reducing false alarms.

Magnetic Mount

Instantly attach camera to metal surfaces, or use included stick-on magnet pad.

Two-Way Audio

Hear and speak to family or visitors with built-in mic & speaker.

Wired Option

Camera can be connected directly to power for 24/7 recording with included USB-C cable.

Dual-Band Wi-Fi

Faster, less latency more stable and secure Wi-Fi connection with 2.4/5 GHz dual-band Wi-Fi.

IP67 Weatherproof

Rugged plastic housing performs well in any weather condition.

Flexible Storage

Choose between microSD card (Max. 256GB) or Home Hub storage.

*Based on 5 minutes of daily recording and all-day standby, using 2x AA lithium batteries. Actual results may vary.

Compact, Go-Anywhere Security Camera

Argus MagiCam is so neat and compact, you can take it anywhere. Fits in the palm of your hand or in your pocket. Use it indoors or outdoors in any kind of weather.

Versatile Battery Options

Accepts a variety of common AA-sized batteries. Use non-rechargeable Lithium (Li-ion) for maximum battery life (sold separately). Alkaline-type batteries are included.

Magnetic Installation

Instantly attach camera to metal surfaces. Or, use included stick-on magnet pad to go on practically any surface!

Fully-Adjustable Bracket

Includes a bracket that adjusts in a full range of motion. Use it as a temporary table-top mount or fasten to a wall or ceiling

Smart AI Detection

Get notified when motion from a person is detected. Ignores all non-critical events to reduce false alerts and conserve battery power.

Gallery

One App/Client for All Control

Stay connected to your home or business anytime, anywhere.

Privacy in Your Hands

We made it a priority to ensure that your privacy is protected and your data is for your eyes only.
