

**Big vibrant sound, same small size**

**MSRP:**

**\$49.99**

**Color Options:**

Charcoal, Glacier White, Deep Sea Blue

**Key features:**

Improved audio experience, Alexa, motion detection, temperature sensor, eero built-in, privacy controls

- **Our best sounding Echo Dot yet** - Echo Dot features improved speaker quality, delivering clearer vocals and deeper bass for rich vibrant sound. Just ask Alexa to play music, podcasts, and audiobooks, and enjoy a dynamic audio experience anywhere in your home.
- **Your favorite music and content** - Play music, audiobooks, and podcasts from Amazon Music, Apple Music, Spotify and others or via Bluetooth throughout your home.
- **Alexa is happy to help** - Alexa is ready to help throughout the day with weather and news updates, hands-free timers and reminders, answers to your questions, and can even tell you jokes.
- **Keep your home comfortable** - Paired with compatible light bulbs, thermostats, and more, Echo Dot lets you control your smart home using your voice, motion, or indoor temperature.
- **Tap to pause music or timers** - With a simple tap you can pause a song, end a call, or stop an alarm. Need a few extra minutes of sleep? Just tap to snooze.
- **Do more with device pairing** - Fill your home with music using compatible Echo devices in different rooms, create a home theater system with Fire TV, and extend Wi-Fi coverage with a compatible eero network so you can say goodbye to drop-offs and buffering.
- **Designed to protect your privacy** - Amazon is not in the business of selling your personal information to others. Built with multiple layers of privacy controls including a mic off button.

## What's different?

|                    | Echo Dot (4th gen)        | Echo Dot (5th gen)         |
|--------------------|---------------------------|----------------------------|
| Audio              | 1.6" front-firing speaker | 1.73" front-firing speaker |
| Motion detection   | ✓                         | ✓                          |
| Temperature sensor |                           | ✓                          |
| eero built-in      |                           | ✓                          |
