TECHNICAL INFORMATION

Note: these dimensions are nominal and subject to change without notice.

Note: The measurements provided herein are of the fired piece and are intended for general reference only. They should not be used to make cuts in countertops for installation. Installers should always use the template that is included with each piece as well as measure the piece(s) received prior to making any cuts. Normal production variances can cause slight differences in the dimensions of fired pieces.

Fixture performance and specifications meet or exceed ASME A112.19.2-2013/CSA B45.1-13 standards, and other state and local codes.
