LED Versi Lite™

Flush Mounts Redefined

Our Most Versatile LED Flush Mount For Any Space.

Available in a variety of sizes and finishes, the LED Versi Lite offers an energy-efficient lighting solution for an array of residential and light commercial spaces, both indoor and outdoor. Ideal applications include hallways, corridors, porches, closets, pantries, utility rooms, small rooms, bathrooms, showers, stairways, work areas, and much more!

Key Features:

- Comparable light output to a 60W (7") or 2-75W (13") incandescent with an 84% reduction in power consumption

- 50,000 hour L70 Rated Life

- Dimmable to 10% on most standard triac dimmers

- Low THD of less than 20

- High Power Factor of greater than 0.98

- 3 color temperatures to choose from - 2700K, 3000K and 4000K

- Wet location option

LED Versi Lite

Lithonia Lighting has updated their most advanced LED flush mount to date — the LED Versi Lite™. Designed for simplicity, the fixture includes the sophisticated microDRIVE™ Technology which eliminates the need for an LED driver. The LED Versi Lite delivers increased efficacy and reliability all while reducing Total Harmonic Distortion (THD) and maximizing power factor.

Our most versatile LED Flush Mount for any space.

7"

13"

Able to mount to ceiling or wall

You choose	You replace	You save[1]	You win
7" Versi Lite	60W Incandescent	$8.98 + $2.00 = $20.98	Fixtures pay for themselves in **19 months**[1]
13" Versi Lite	2-75W Incandescent	$71.18 + $2.00 = $73.18	Fixtures pay for themselves in **9 months**[1]

[1] Annual Energy + Replacement Savings = **Total Annual Savings**   Cost based on 8 hours of operation per day and energy costs of $.13 per kWh
